

## KB-220e 12-key office multimedia keyboard

## KB-320e 16-key office multimedia keyboard with 4 way pad

Genius releases two new “e” series multimedia keyboards for Windows Vista: **KB-220e** and **KB-320e**. Both of them offer additional functions such as instant access to the Internet, MSN, YouTube, and Blog. Convenient office keys activate your Word, Excel and Power Point, and media control key for music or video play back.

**KB-220e** and **KB-320e** are in a black fashion design, and additional features include a water resistant function to prevent against accidental drink spillage, a keyboard stand design to save desktop space and low profile keycap structure to decrease key noise. Contact your sales representative for more information.
